

Guest Player Release Form For Inter-Club Use

A "guest player" is defined as a player who is registered with a team in one club who wishes to participate with a team in another club during a specific competition. A guest player is allowed for friendly games, invitational tournaments (when allowed by tournament rules), and any other competition that permits the use of such a guest player. A guest player may only participate with his/her guest team during the event as set forth on the Inter-club Guest Player Form. The player may not participate with his/her existing team during the duration of the event. A guest player may not transfer to the guest team during the same seasonal year. This Application is to be submitted only if an event requires documentation of inter-club movement of a player.

All Guest Player Release Forms must be emailed to kay@lsa-soccer.org.
