- 305.4.2.2 LCSL Games can be scheduled or rescheduled to be played in a club tournament. Both teams must pay the full club tournament, however, they do not have to pay the referees for their LCSL game as those fees shall be paid by the tournament host. In order for a club tournament game to count as an LCSL game, the coach or manager of each team and the tournament host must each notify LSA in writing that

In the event LSA determines the reason for the Short Notice Reschedule request was unavoidable and under emergency circumstances the Short Notice Rescheduling Fee may be waived.
- 305.4.3.4 If weather requires a postponement of an LCSL game, the game shall be made up except in cases where the game will not have an impact on LCSL standings. In such a case both teams are required to agree to not play the game and must submit written consent to LSA. The Teams will not be penalized for failing to play the game.

- 305.4.4 Communication and Cooperation by and between Clubs and Teams
- 305.4.4.1 Communication. Team managers and coaches shall use the contacts list from GotSport to communicate about scheduling and rescheduling games and game weather-related updates. Communications should be accomplished by email to maintain a record of the Teams' agreements.

- 305.4.4.3 Priorities in Scheduling

  2. There is an education-related activity (e.g. ACTs, required school event, etc.) that affects 20% of the team

  8. All other soccer events
- 305.4.4.4 Failure to Communicate or Cooperate  
In the event a team fails to communicate or cooperate with another team in scheduling or rescheduling an LCSL game, LSA shall have full authority to schedule the game. Should LSA determine that a team's failure to communicate or cooperate with another team is unreasonable, the team shall be subject to loss of home field advantage and/or a fine not to exceed of \$250.
- 305.4.5 Failure to Play a Scheduled LCSL Game.  
Any team that fails to play a duly scheduled or rescheduled LCSL game shall be deemed to have forfeited that game, the game shall be recorded as a 0-4 loss to the forfeiting team and the forfeiting team shall lose 2 points from its LCSL standings. The forfeiting team shall submit the reason or reasons for the forfeiture in writing to LSA.
- 305.4.5.1 After reviewing the submissions, LSA has the authority to assess a fine not to exceed \$500 to the club of the forfeiting team.
- 305.4.5.2 The Club may file an appeal of LSA's decision.
- 305.4.5.3 In the event any team forfeits a second duly scheduled or rescheduled LCSL game in a seasonal year, the team shall be removed from the LCSL and all the team's games will be removed from the LCSL as if the team never participated and the team shall not be permitted to participate in any Louisiana State Tournament.
- 305.5 Louisiana Classic Soccer League ("LCSL") Rules
- 305.5.1 Rules of Play
- 305.5.1.1 Rules of Play shall be in accordance with LSA Tournament

- Rules, unless hereafter noted.
- 305.5.1.2 At the referee's discretion, if a game must be terminated due to inclement weather and/or unsafe field conditions and one half of the game has been completed prior to termination, the results of the game at the time of termination will stand. The game will not be replayed.
- 305.5.1.3 Pre-Game Check-in Process
- a. Teams will provide their US Youth Soccer player passes and a copy of the Game Card which includes the Team Roster, both of which shall be generated by the LSA registration platform, to the referee prior to the beginning of the game.
  - b. Club Pass Players may be added at the bottom of the Team Roster. Any team adding Club Pass Players to any roster for any game must submit a copy of their team roster showing such Club Pass Player(s) prior to the commencement of the game. By adding such Club Pass Players to the Team Roster, the Manager, Coach and Club are certifying that such players are eligible to play as Club Pass Players during the game and that the requisite Club Pass Notification has been submitted to LSA.
  - c. The referee shall check the players against the player passes and the Game Card prior to the start of the game. If the referee fails to perform the above check as required, the coaches must perform the above check before the start of the game.
  - d. If a team does not have their player passes and/or a copy of the Game Card at the start of the game, the game may be started but both the player passes and the Game Card must be presented to the referee and checked by the end of the game. If the team is unable to present the player passes and/or the Game Card by the end of the game, the opposing team will be awarded a 4-0 win.
  - e. An electronic copy of the player passes will suffice provided the electronic copies of player passes are exact electronic versions of the player passes when printed through the LSA registration platform.
  - f. If only one of the teams has a copy of Game Card, that Game Card can also be used to check the opposing team's players to their player passes but the players are limited to those shown on the Game Card. A team attempting to use Club Pass Players must present a Game Card with the names, player id numbers, date of birth and jersey numbers filled in on the Game Card. If the team fails to do so, the Club Pass Players shall not be eligible to play.
  - g. All coaches must present their US Youth Soccer Coach Pass to the referee prior to the game. Any coach who presents a coach pass indicating they are a registered coach for a classic-level team for that particular LSA-affiliated club and indicating they are a coach of a Classic team shall be eligible to coach the team.
- 305.5.1.4 Games may end in a tie (no overtimes, etc.).
- 305.5.1.5 If a Louisiana Classic League Game does not have 3 referees, the game can be played as long as both coaches agree. Every effort should be made to contact the assignor to see if referees can be obtained in a reasonable time. If both coaches do not agree to play

the game with less than 3 referees, then LSA shall determine the reason a full referee crew did not appear. Unless LSA concludes the absence of referee(s) was due to an emergency, the home team may lose home field advantage and the game shall be rescheduled by the teams accordingly. Anytime a game does not have three referees at a league game, LSA shall be notified by both teams regardless if the teams agree to play the game or not.

305.5.1.6 A player participating in a game as part of Classic league and/or Louisiana State Tournament play must display the name and/or logo of his/her LSA-affiliated club on the jersey or the shorts to be worn during the game. Goalkeepers are exempt.

305.5.2 Protests and Appeals

305.5.2.1 Protests and Appeals shall be referred to the Discipline and Appeals Committee.

305.5.2.3 Protests & Appeals Procedures  
All Protests and Appeals shall be filed and considered in accordance with Policy 106 set forth herein.

305.5.3 Tabulation of Results

305.5.3.1 Classic League games will be scored as follows: 3 Points for a win, 1 point for a tie and 0 points for a loss.

305.5.3.2 Ties will be broken per Policy General Tournament Rules.

305.5.3.3 To apply tiebreakers to age groups that have divisions that do not have the same number of teams the following will be used for the application of Most Wins, Goal Differential and Goals Allowed if they are part of the tiebreakers:

a. Most Wins: number of wins divided by the number of games played.

b. Goal Differential (maximum of plus or minus 5). For example, for a score of 2-1, the goal differential for the winning team would be +1. Another example is 6-0, the winning team's goal differential would be +5. If the divisions do not have the same number of teams, and a tie exists between two teams in different divisions calculate a percentage. The percentage would be calculated as follows: Goal Differential/Maximum Possible Goal Differential (each game's maximum would be assumed to be +5).

c. Goals Allowed (no maximum). If the divisions do not have the same number of teams, and tie exists between two teams in different divisions calculate the average goals allowed per game. The average would be calculated as follows: Goals Allowed/Games Played

305.5.4 Reporting Game Results

It is the ultimate responsibility of each Coach to ensure that the scores and misconduct of each game is properly reported to LSA. A Team representative from the home team shall post the game score and issuance of any yellow and/or red cards in the GotSport platform within 24 hours of the completion of the game. All Game Cards for games during which a red card is received or a red card suspension is being served must

be sent to the LSA Office within 24 hours of the completion of the game. If the above deadlines are not complied with the offending team and club will be notified in writing by LSA and given one week from the date of written notification to remedy the situation. If the situation is not remedied the Club shall be subject to a fine of up to \$500.

305.5.5

LSA will pay each Referee Assignor a referee assignor's fee in the amount of \$6.00 per game assigned. Payment shall be made directly to the Referee Assignor and shall not be made to the Club unless the Referee Assignor is a full-time employee of the Club in which case payment shall be made directly to the Club. Each Referee Assignor shall submit an invoice to LSA detailing those LCSL games he or she has assigned. Such Referee Assignor Invoices shall be submitted to LSA no later than December 31 for games in the fall and no later than June 30 for games in the spring. All Referee Assignors must submit an IRS W-9 Form to LSA with their first Referee Assignor Invoice submitted in each seasonal year. LSA shall be under no obligation to pay any Referee Assignor Invoice not submitted in a timely manner or should a Referee Assignor fail to submit an IRS W-9 Form to LSA as required herein.

305.5.5.2

Payment of referees for officiating at LCSL games shall be made by the teams or their clubs at the field at the time of the game. Each team shall contribute one-half the total referee fees due for a game played in that age group.

LSA will host 4 separate state tournaments each year.

306.1.1 The State Cup

306.1.1.1

The State Cup shall determine the Louisiana State Champion in each age and gender group from 13U through 19U inclusive. The State Cup is conducted as the qualifying event in Louisiana for the U.S. Youth Soccer National Championship Series ("NCS").

306.1.1.2

The State Cup will be open to the top 4 finishing teams in Division 1 of the LCSL in each age and gender group from 13U through 19U inclusive.

306.1.1.3

In the event the 4<sup>th</sup> place team and the 5<sup>th</sup> place team in the LCSL are tied in points in the LCSL standings and tied in head-to-head competition, the 5<sup>th</sup> place shall have the option to request a play-in game against the 4<sup>th</sup> place team. The winner of that play-in game shall compete in the State Cup and the loser shall be eligible to play in the Louisiana Presidents Cup as provided below. If more than 2 teams are tied in points in the LCSL standings and head-to-head, the LCSL standings determined by tie-breakers shall control and the

- 4<sup>th</sup> place team shall play in the State Cup.
- 306.1.1.4 Each age and gender bracket in the State Cup will have seeding determined by the final standings of the LCSL for that seasonal year.
- 306.1.1.5 All teams that finish in the top 4 teams in Division 1 of the LCSL are required to compete in The State Cup. Failure to duly register an eligible team for The State Cup may result in a fine to the Club in an amount not to exceed \$1,000. Should a team that finished in the top 4 teams in the LCSL standings failure or refuse to participate in the State Cup, LSA shall have the discretion to invite another team, beginning with the next finishing team in the LCSL, to participate in the State Cup.
- 306.1.1.6 Every team that enters and participates in The State Cup is obligated to represent Louisiana at all NCS events if eligible. The only exception shall occur if the LSA State Champion is attending the Southern Regional Championships as a US Youth Soccer National League representative. In such a case the highest placing team at The State Cup at the same age and gender that is not attending the Southern Regional Championships as a US Youth Soccer National League representative shall represent Louisiana.
- a. In the event a team fails to participate in the Southern Regional Championships when selected to do so, the team's Club shall be responsible for any and all fees and fines assessed by US Youth Soccer and/or the South Region for withdrawal.
- b. Failure to pay any such fine within 30 days of receipt of the fine in writing shall result in that Club being deemed "Not in Good Standing" and all teams from that Club shall be denied participation in the LCSL and any Louisiana State Tournaments until said fine is paid in full.
- 306.1.1.7 LSA shall have the discretion to conduct the State Cup for 18U/19U age groups at a different time and place than the State Cup for the other age groups.
- 306.1.1.8 All teams entering the Louisiana State Cup shall become familiar with all the US Youth Soccer National Championship Series Policies, Rules and Procedures as they affect critical issues such as player and team eligibility.

The Presidents Cup will be open to all LSA affiliated teams that played in but did not finish in the top 4 teams of LCSL Division 1 and all other teams that competed in the LCSL. Teams that participated in LCSL Division 1 will be seeded higher than the LCSL Division 2 Teams. LSA shall also have full discretion to seed a team from a division lower than Division 2 in the LCSL in the Presidents Cup if it is evident the team achieved exceptional results in league play in the lower division. The placement of such team may, in the discretion of LSA, displace teams from the LCSL Division 2 from the Presidents Cup.
- 306.1.2.2 Each age and gender bracket in the Presidents Cup will have no more than 8 teams except in circumstances in which LSA, in its sole

discretion, determines the level of competition across the state and the number of applications to play in the Presidents warrants a bracket in excess of 8 teams. In such a case LSA shall only expand the bracket in multiples of 4 teams (e.g. 12, 16 teams...) to maintain consistency in the tournament structure. The seeding will be determined by the division of the LCSL in which each team played and by the final standings of LCSL play for that seasonal year.

306.1.2.3 Teams participating in the Presidents Cup must commit to participation in the Southern Presidents Cup and, if applicable, the US Youth Soccer National Presidents Cup.

a. In the event a team fails to participate in the Southern Presidents Cup when selected to do so, the team's Club shall be responsible for any and all fees and fines assessed by US Youth Soccer and/or the South Region for withdrawal.

b. Failure to pay any such fine within 30 days of receipt of the fine in writing shall result in that Club being deemed "Not in Good Standing" and all teams from that Club shall be denied participation in any Louisiana State Tournaments until said fine is paid in full.

306.1.2.4 In the event that there is no Presidents Cup for an age group, or if all of the teams in an age group decline, LSA may invite any other team duly registered with LSA to participate in the Southern Regional Presidents Cup. Participation in the Southern Presidents Cup from such a team may require the participating team to pay an additional fee.

306.1.2.5 LSA shall have the discretion to conduct the Presidents Cup for the 18U and 19U age group at a different time and place than the Presidents Cup for the other age groups.

306.1.2.6 All teams entering the Louisiana Presidents Cup shall become familiar with all of the US Youth Soccer Presidents Cup Policies, Rules and Procedures as they affect critical issues such as player and team eligibility.

306.1.4.3 LSA shall have the discretion to invite teams from outside Louisiana to compete in the Bob Abbott Cup and shall seed such teams accordingly.
