Each Club's response for their team(s) will play a critical role in the placement of each team as LSA works hard to place 11U teams in the best possible environment for player development this fall.

Players must be 11U or older to participate in the LC SL. The only exception shall be those 10U (born in 2016) players who receive clearance to play at the 11U level from LSA pursuant to Policy 300.2.10.
